

Placement	
Company	Studio Belvedere Inzaghi & Partners - BIP
Company description	Belvedere Inzaghi & Partners (BIP) is a prominent Italian law firm. BIP is specialised in real estate and administrative law with more than forty years of experience. The firm combines very high-quality Italian legal services deeply rooted in the market, with an international approach to the real estate sector in accordance with the relevant standard forms. Our Law Firm offers highly qualified advisory services and full assistance, through a pragmatic and solution-oriented approach. Our clients include major property companies, Italian and foreign real estate institutional investors, real estate funds, asset management companies and real estate companies owned by the Italian Government.
Offer description	The firm is looking for brilliant student/graduates to be involved in its real estate practice, focusing on town planning and environmental issues. In particular, the apprentice will cooperate with the team through due diligence, research and drafting activities.
